ASHGABAT
23-28 NOVEMBER
2023

In the center of the emblem of the XIV World Kurash Championship the figure of a wrestler with the image of the Turkmen Alabay was depicted. The abstract shape of the globe behind it indicates that this is the international event. All of them are surrounded by a ring with a belt, which is typical for this type of wrestling. The updated images give the World Kurash Championship emblem a unique national look.
